TO WHOM SO EVER IT MAY CONCERN

I know Ms. Poonam Bajaj as my undergraduate student at Manipal; & later as an observer (3 months) at L.T. M.G. Hospital, Sion, Mumbai.

During this tenure I have found her to be an intelligent candidate, having a lot of enthusiasum & urge to learn more. Her therapeutic skills were good; & attitude was sympathetic towards the patients & cordial with her colleagues & senior staff.

I wish her good luck & strongly recommend for higher studies or employment here in India or abroad.
